

CP How far should US go to Jan Eger

3-5 years, friends will be slaughtered - must follow up -

If widespread, good opportunity

Depends on chances success - must not lead on to destr.

Yugos as funnels -

But must be more spontaneously serious before we move - but if China were close to defection - Sovs over-extended -

Believes in VFC -

Gen Smith for discussing how allies -

Success depends on concentration - everywhere - China is index -

D-Subvert C of Army

any PSB to serve as watch group on insurrection - ?

Asks if C of Army sources

Doubts Mao even a Jit

St - Eger, Pol, Cg - OK / Baltic - trouble in all areas - indig troops may rise -

FD How confer to Sovs w/o giving moral sanction to Sovs & dry up resistance -

Everett never got to Cherny - Eckhardt to Molot ??

1. Molot, worthy opponent -

Rhee act a wet fish in the face

St - Can we get arms to Eger

People unhappy - no need deal friendly to R - LTRK -

Must lay down what R must do - rebellious in all E

Do to OK - let get Sovs pull out, will pull out, then talk get E & moving, Hoff had center

FD Do Adenauer need new arms for police ?

St - Rep for pol showing fruit - must keep Eger going -

W - Rhee not too bad & will test whether Ch & Sovs want to -

N test of Sov intent [as Eger notes likewise test]

CO - Proof to Sovs of unreliability of their puppet armed forces -

Repudiate Rhee & release & ready to fight if we have to

St - Must keep embargo on Ch & - everything getting ready to trade -

will sabotage pol conf & Seetate - persuasion not likely to work

Keep OK funds until pol conf over - emphatic -

Most serious divide to whole West - I fully trust

CS ✓ Berlin theme Joan go home - free elections
today pol paper - let's go over it ad hoc -

25X1X4 ☐ Ch wants Bermuda 6/29 -
